

**“Be a thrift-teener...the Insured Savings and Loan way”
says Pat Boone.**

“Thrift-teeners are teenagers who’ve learned the habit of saving some of their allowance or job money regularly. In my book it’s a pretty good habit to have. “It’s the best way to get enough money for the *big* things you want. And a great place for teenagers to save is at an Insured Savings and Loan. There your money is safe and earns more money for you. “So be a thrift-teener. Start saving at your nearby Insured Savings and Loan Association today. They’ll be glad to see you and help you work out your savings plan.”

Where you save does make a difference
